JONES

## About Us

---

Hathway Stewart is a privately-owned Canadian wholesale distributor of distinguished brands, serving the professional golf market. Supported by a flexible supply chain infrastructure and tailored in-house customization services, we are experienced in providing premium quality products demanded by the finest golf and country clubs in the world.

We are thrilled to be the Exclusive Canadian Distributor of Jones Golf Bags, one of the most iconic brands in the game. At the same time, we are equally enthused to bring innovative new brands and products to the market like Storm Towel, as well as our own line of Hathway Stewart branded products, to help players enjoy and simplify the game, under all playing conditions.

We hope you enjoy touring our product offerings for 2025, and we welcome you to reach out if you have any questions. We look forward to serving you.

A photograph of two women sitting on a boat, laughing and smiling. The woman on the left is wearing a blue sleeveless shirt and has sunglasses hanging from it. The woman on the right is wearing an orange polo shirt. The background shows a bright, sunny day on the water.

STEWART

# Course Caddy

The Hathway Stewart Course Caddy is a purpose-built attachable cart purse that is a functional & aesthetically pleasing on course carry solution designed for female golfers.

With an insulated section for an over-sized water bottle or coffee, and a large, deep open pocket with ample space for your other personal items, this luggage can be pre-packed at home and ready to use on the course. No re-packing your personal items from your car required!

When your tee time arrives, simply hang the adjustable shoulder strap onto of your cart, slide the strap buckle to fit the handle width, and set off for your round!

Includes an optional security strap for a no slip solution!

# 2-IN-1 GOLF TOWEL & RAIN HOOD COMBO

*Always in Play*™  
☀️ ☁️ ☔

## 2-in-1 Golf Towel & Rain Hood Combo

STORM TOWEL is built tough to perform under all playing conditions. Use the plush 100% cotton terry towel inner side to wipe grooves clean after you flush your approach into a tucked pin. When the skies threaten, just flop STORM TOWEL over the top of your bag for instant water protection for your clubs, shielded by its waterproof exterior. No snaps or zippers to fuss with, and fully machine-washable. Simple and easy.

Multi-layer STORM TOWEL HEADCOVERS are built tough for the realities of golf. Constructed with STORM TOWEL fabrics, its water-resistant Rip-stop nylon shell with water-blocking silicone under-layer is made to hit the ground as you make the trek back to the tee deck on dew-laden mornings. Meanwhile, the cotton terry towel inner side cloaks your most expensive clubs in softness to keep club heads looking new from round to round.

Triple-stitched with UV-protected thread, STORM COVER head covers are designed to withstand all the on-off cycles of a grinding round, regardless of the challenges the day may bring forth. Plus, they're fully machine washable...so no need to fear the ground!

## Original

### *Single Strap Carry Bag*

This is the golf bag that started it all in 1971 and has become one of the most iconic bags in the game. Combining traditional George Jones stylings with modern materials, the Original is designed specifically for the walking golfer. Water-resistant nylon keeps grips dry for those dew-sweepers and all-weather players. The retro single strap and unstructured body pay homage to keeping golf simple, while three pockets provide plenty of room for your playing necessities.

## Customization Available

# Players Series

## *Single Strap Carry Bag*

The Players Series bag embodies those who prefer to experience the course on foot. With minimal and understated aesthetics, it's equipped with everything you need in a golf bag and nothing you don't. Three pockets provide ample storage for necessities, while the mesh beverage sleeve and interior phone compartment keep your supplies secure.

Special Edition Players Series feature 100% Recycled fabrics. This material is constructed using 100% PET Single-Use Plastic Bottles, allowing for a 75% reduction in Greenhouse Gases.
